Can we agree that this is preliminary and not to be considered the entirety of the meet and confer process?

I thought of it as part of the meet and confer process.

Brian-

For clarification, my expectation is that our discussion tomorrow is in follow up to my calls to discuss this in a preliminary fashion so that I can then prepare my client for the subsequent meeting you have requested and which is required by the Judge. In other words, tomorrow's call is not the "meet and confer." If you have a different perspective, please advise.

Thanks,  
Lisa

Brian-

Since any remedial measures will require agreement and action by the Recorder, I continue to request that we discuss the issues at your earliest convenience. I have court tomorrow morning but am available after that. I do not know who will be representing Ed and Cedric at this time.

Thanks,

Lisa

Brian-

I have sought to speak with you a couple of times about this and you said you would get back to me after you spoke with Roger and Michael. We have been waiting to hear from you. Please advise.

Do you know if Ed and Cedric have retained counsel yet? If we are not able to reach agreement, we intend to file this on July 26.

thanks

Brian
